Learn To Skate Program

Class is taught by Renee Stehman. With years of skating experience, she can always be found floor guarding on the weekends, and giving skating tips.

What is Learn To Skate?

- Teaches a series of balance, control, and agility skills.
- Provides students with the best foundation for figure skating, hockey, and every day skills.
- Each week focuses on different skating techniques.
- Participants will learn and gain confidence on four wheels.
- Introduces a healthy, life-long activity at an early age.
- Promotes fun, fitness, and group participation.
